Gameplan: strategies for survival in a digital future

On 15th July 2008 at the Pervasive Media Studio
(above Firehouse Rotisserie, Anchor Square, BS1 5DB)
starting at 7pm until 10pm.

This Dorkbot is a collaboration with Iglab and will be an introduction to
street/pervasive games

So **we'll be playing some fun games** including: the Comfort
of Strangers, the Lost Sport of Olimpia, hypSync and OMMRPG (the
Korean laser - mirror game).

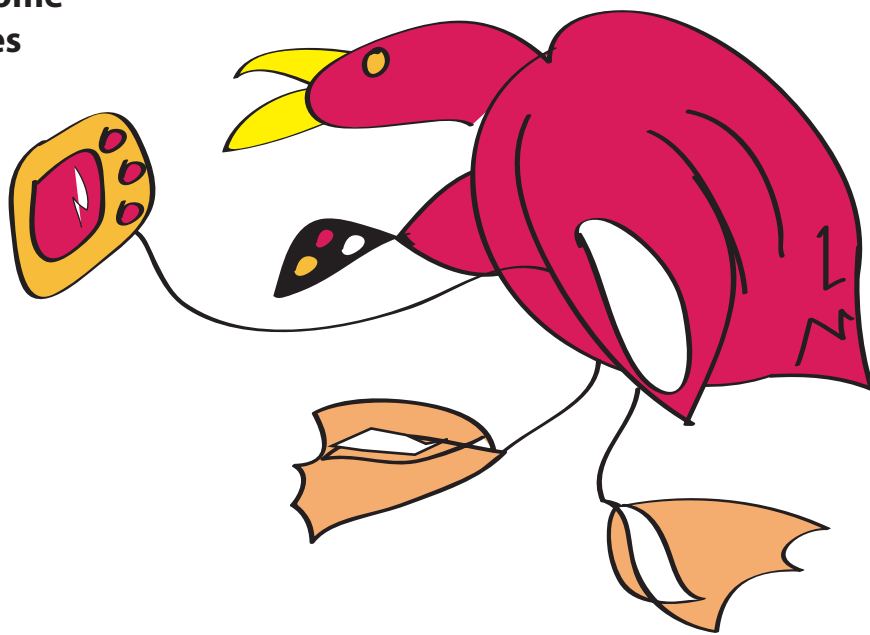

**People who are interested in playing
some experimental games can come
to get early access to some games
still in development.**

Iglab (the interesting games lab)
holds a monthly playtesting
night where games designers/
developers can bring their
latest games to try out with
a playing audience.

it's free, you can email us
to let us know you are coming
