Hacker Spaces

Where are we at?

- Searching for a space

- filing our 501c3 for non-profit designation

- 50 members, $80/month dues

- soliciting donations of equipment, talent & funds to help us get Freeside up and running.

What is FreeSide gonna do for me?

- Fundraisers (think geeky fun in your community)

- Clinics, workshops and classes on subjects from soldering to computers to woodworking. For adults and children.

- Hardware Swap Meets

- A place to donate the stuff your spouse wants to get rid of. (you can still come visit it!

- guest access, future membership

Resources

- #freesideatl on freenode

- hackerspaces.org

- hackerspaces.soup.io

- freesideatlanta.org

- wiki.freesideatlanta.org

- groups.google.com/group/freesideatlanta

- FreeSide planning meeting at Manuel's every Monday evening @ 7:30pm
